STATEMENT OF COMPLIANCE PROCEDURES

Telecom AG, LLC (Company) is a provider of prepaid long distance and international calling cards.

To the fullest extent possible, Company ensures that its business methods and operating procedures are in compliance with FCC rules pertaining to CPNI.

As a provider of prepaid calling cards primarily offered to the transient public through retail outlets and kiosks, Company generally does not have access to customer information such as name, address, and other personal information. Company's access to CPNI is limited to Call Detail Records and other data collected by its switches, which are useless since there is no personal customer information to relate to.

Company does conduct a limited number of transactions over the Internet through which personal information is obtained from prospective customers. Such personal information is used exclusively to process electronic payments.

In any case, Company does not use CPNI for marketing purposes and ensures that the limited CPNI it does have access to are not sold or given to any third parties for any purpose, unless pursuant to lawful subpoena.
